Cost of repair / unlock will be £35 plus £6 return delivery payable before return of handset to you. If we can not repair the handset then the return delivery charge of £6 will still be payable for return of the phone. We are unable to carry out repairs under warranty and all work we perform is chargeable. We accept no liability for handsets which are permanently damaged, will not accept a new 'flash' or damaged during transit. I agree to pay for works before the handset is returned to me.
